Make It Yours

University Lutheran Church is a community congregation as well as home to Lutheran Campus Ministry, serving the college students of nearby Arizona State University and other local colleges.

All are Welcome

Our congregational community is made of a wide variety of people, from all ages and all walks of life. We invite you to come worship with us, attend an event, or take part in the Campus Ministry or Young Adult Ministry programs. We hope that your experience with us leads you to “Make It Yours.”

What We Do

Our congregation is involved in the world, from mission trips to gathering food for the hungry in our community:

- Citrus gleaning
- Advocacy for hunger and poverty
- Discussions on Biblical and topical issues
- Sponsor students & Young Adults for mission work in developing countries

- Building homes in Mexico
- Women's and Men's groups
- Book Discussion Group
- Support three 12-Step groups
- Summer Fellowship opportunities

In Community with Young People

University Lutheran Church outreaches to students of college age through our Lutheran Campus Ministry program, which meets weekly,

Young Adult Ministry outreaches to those out of school but wanting some connection to others their own age. This group gathers regularly for happy hours and other events.
